

MISSION: To reinforce the Army's commitment to eliminate incidents of sexual harassment and assault through training and education, victim advocacy, response and reporting, and accountability.

SHARP
Post Program Manager
255-9897/Bldg 101
lance.c.osborne.mil@mail.mil

- Serve as the designated PM of victim support services who coordinates and oversees local implementation and execution for SHARP
- Ensures overall local management of sexual assault awareness, prevention, training, and victim advocacy
- Ensure all incidents of sexual assault are reported to the USAACE Commander within 24 hrs of receipt
- Tracks unit VA requirements and maintains a roster of SARCs and VAs and the status of their training, and rotation dates
- Maintain liaison with the provost marshal/CID, medical and legal services, and commanders to facilitate immediate response and accurate reporting of sexual assault incidents
- Generates incident case numbers; alerts first responders when needed; compiles data received from responding agencies and enters it into the DSAID database
- Plans and prepares monthly Sexual Assault Review Boards chaired by the CG; validates and organizes data being presented
